Who should attend?

- **New Board Members:** The best possible orientation for newly elected or appointed Board Members. Start out on the right foot with an understanding of the laws, duties, and functions of this important new office.
- **Experienced Board Members:** Keep up on new developments in the laws and issues affecting special districts.
- **Managers, Staff and Advisors:** Managing a special district is a complicated matter. This workshop is planned to help you keep up on critical issues, and for you to be able to ask outstanding experts those questions that keep creeping up.

Agenda
