Re: Board Member Manuals
Date: June 14, 2010

Dear SDA Member,

Congratulations and best wishes in your public service efforts on behalf of a special district in Colorado. As you know, special districts are highly beneficial and efficient providers of vital services to our citizens.

The latest revision of the SDA Board Manual has been mailed to all member districts. The manual has been drafted to help Board Members and other key personnel in their efforts to govern and manage special districts. Added to this revised version are cross-references to relevant cases and statutory citations, along with a new table of contents and updated index. Of course, the text is as up-to-date as can possibly be at this time.

Special thanks to the law firm of Collins Cockrel and Cole P.C., who have drafted the manual, and who have provided the updates and additions to this version.

The Board Member Manual will be posted in the Member Login area of the SDA Website, in the near future at www.sdaco.org along with the SDA Laws Notebook, Membership Directory and Legislative Updates. We hope that this manual will be a valuable service to all our valued members.

Sincerely,
Ann A. Terry
SDA Executive Director
